

NORTHERN MUTUAL POLICYHOLDER NOTICE

Northern Mutual Insurance Company has taken the following measure to provide flexibility due to the COVID-19 State of Emergency:

Moratorium on Cancellations for Non-Payment of Premium

Northern Mutual Insurance Company has placed a moratorium on policy cancellations for non-payment of premium through June 8th, 2020. This allows an insured that needs extra time to make their premium payment an extended grace period through June 8th, 2020. The details of the moratorium are as follows:

- Northern Mutual Insurance Company is providing an extended grace period through June 8th, 2020 to make your premium payment.
- During this grace period your Northern Mutual Insurance Company policy will not cancel if you cannot make your premium payment.
- At the end of the grace period a Legal Notice of Cancellation will be sent to all policyholders that have not made their premium payment. The policyholder will have 10 days from the date of the Legal Notice of Cancellation to make their premium payment to maintain continuous insurance coverage.
- To avoid a large amount due at the end of the grace period, Northern Mutual Insurance Company recommends that an insured make partial payments. Please call the Northern Mutual Insurance Company home office at (906) 482-2880, or toll free at (877) 437-5925, and ask for Billing to make a partial premium payment.
- In the event of a claim that occurs during the grace period the premium amount due must be paid to Northern Mutual Insurance Company to place the policy in force before the claim can be processed.

If you have questions regarding your policy or this extended grace period please contact your Northern Mutual Insurance Company Agent or this office at (906) 482-2880 or (877) 437-5925.
